Click on the 'Online Booking' button on the Calendar/Booking page of the website.

- Your **Username** is the email address that you have provided.
- If logging in for the first time, click on the 'Forgotten or change password?' link.

Once logged in, click the 'My Details' tab to amend personal information and update your Next of Kin, Medical details and Motorsport UK Licence number/grade throughout the year.

**Booking a race** - (Race entries will become available to book 8-10 weeks prior to each meeting. Online booking will close approximately 10 days prior to the meeting.)

Click the 'Book' tab, **NOT** the calendar on the home page! This will bring up available races for all series you are registered for. These will be listed under 'Available Championship Races'. For events such as Spa and Le Mans where the grids are combined, races will show under 'Available Open Races'. You may not be eligible to enter all the 'Available Open Races' so please check carefully before booking.

Select the races you wish to enter by ticking the relevant box(es). (If you are entering more than one series race, please contact the office first so that we can apply any eligible discount you may be entitled to.)

You must click the Motorsport UK Regs link, to view/print the Supplementary Regulations. It is your responsibility to read and understand these. You can then scroll down, tick to confirm you have read these and click 'Book Events'.

Please ensure that your 2nd driver has updated their details on their account prior to you adding them. Their Competitor ID can be obtained from the 'My Details' section on their Rev-Up account. When entering their Postcode, please use Capitals and a space.

You must tick the adjacent box 'Second Driver Correspondence' so we send tickets to your 2nd driver.

Click save at the bottom of the page.

## PERMANENTLY adding a 2nd driver/Sponsor

If your 2nd driver and/or sponsor remain the same for the duration of the season, then you can add them to your account as a default to each series. This will eliminate the need to add them separately to each race individually.

\*\*\*Please note that if any of the races you enter appear under the 'Available Open Races' this means that they are combined grids of more than one series and your defaults will **not** be automatically added. You must add your 2nd driver or sponsor separately to that race. \*\*\*

Click on the 'Championships' tab and select the series you wish to add them to. If you scroll down you will see sections to add your 2nd driver and/or sponsor. Once added, click save.
